### PTL Directory Corrections

Putting together a directory takes a lot of time, communication, and work. Inevitably, miscommunications and errors do occur when coordinating and publishing something of this magnitude. We apologize for any errors that mistakenly occurred. Please make the following correction to your directory.

**Niedzielski, Steve & Clarissa**  
2651 Red Oak Lane  
Monticello, MN 55362

We encourage you to cut and glue this correction over the incorrect item in the Family Directory. If there are any other corrections or concerns in regards to the directory, please contact the school office. We will print the corrections in the same format as above.

**Student of the week:** Bruce Burau was born in Waconia on January 19, 2006. His family includes parents, Amy and Mark and older brother and sister, Brian and Bethany. Bruce's favorite things to do are watching movies and football and going camping. His favorite Bible character is Jesus and Bruce hopes that sicknesses like cancer would disappear to make a better world. His favorite food is spaghetti or pizza. Iron Man or Star Wars would be his favorite movie to watch and recess is the best part of the school day. When he grows up Bruce would like to be a movie action player.

**Donations:** The public school is no longer supplying first aid items for our students. We have a good supply of most things but we are running out of band-aids. We could use a variety of sizes. Any donations may be dropped off in the school office. Thank you!
